SIR,

I have the honour to state that the vacancy of a Tracer on Rs 25/- p.m. occurred in the Engineering Section of this Municipality in July 1943, owing to the resignation of one C Siddiah This vacancy was classified as special and reported to the Public Service Commissioner for advertisement In response to the publication in the Gazette, no applications were received and a communication was received in this Office from the Public Service Commissioner, stating that a locally available and duly qualified non-brahmin candidate might be appointed to the said post. The Municipal Engineer reports that the work in the Drawing Section is suffering much for the last one year, for want of a Tracer and has recommended the appointment of one K. Ranganatha Rao, who is a Brahmin by caste and whose age is over 39 years in view of the dearth of qualified men. This candidate is stated to possess experience of surveying, planning and Tracing,having worked as Mojindar in the Mysore Survey Department and that he is useful for Tracing work A pass in the School of Engineering had been prescribed for the above post In these circumstances, I request that the appointment of the above candidate temporarily as Tracer on Rs 25/- p m may kindly be approved as a special case, pending regular appointment being made as per rules of recruitment

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner
